

## *Waxing Moon Money Spell*

*Keeping track of this cycle is an important part for successfully casting powerful spells. One of the best times to encourage in wealth, love, and good fortune is during the waxing moon, which takes place in the first half of the lunar month when the moon's illumination is gradually growing. This phase is perfect for performing some unique spells, such as this Waxing Moon Money Spell.*

### *Best moon to cast:*

- *Waxing moon*

### *Objects needed:*

- *A green candle.*
- *A gold coin.*
- *A set of aromatic spices: a cinnamon stick, zest of one orange, and dried basil*

### *How to cast:*

1. *Find a quiet room making sure there is no light other than moonlight in the room before you start the ritual.*
2. *Light up the candle and focus on the flame.*
3. *Take 30 deep breaths, visualising wealth and prosperity entering your life.*
4. *Put the gold coin and the spices between your palms & rub for a few moments while you inhale the aromas.*
5. *Say the following three times: **Money flow, money grow, money glow.***
6. *Blow the candle.*
7. *Place the coin you used in the ritual in your everyday wallet or purse. You should see the effects within a few weeks.*
